

„PPL TOP GUN” TRAINING: PPL AND CPL COURSES IN THE USA

Training and flight opportunities in the USA for pilots.

Training and flight opportunities in the USA for pilots. Administration, communication, and training can be provided in English, Spanish, Hungarian, Chinese or Portuguese as needed.

We give complete administrative support (visa, accommodation, training, acquisition of official aviation documents, car rental) and work with you to create a customized flight program. The program is an intensive flight package, lasting a minimum of 7-10 days, during which you can earn up to 30 flying hours.

REQUIREMENTS

- Private Pilot License (PPL)
- Minimum of 3rd class valid Medical Certificate
- professional English language exam – min ICAO ENGLISH LEVEL 4

Fee of the full package: from \$10,000 USD
